Thank you for allowing me to care for you or your child.

- I try my best to run right on time and ask that you do as well. If you are late for your appointment you may have to reschedule.
- If your child is my patient, they must be part of every appointment.
- If you need to be at work during your child's appointment, we can do a 3-way video call with you and your child.
- Broken or late cancelled appointments will be charged a \$100 fee, unless the appointment is cancelled at least 24 hours prior to the appointment time.
- The psychiatric evaluation is imperative for establishing the doctor-patient relationship. If this initial appointment is missed, it will not be rescheduled. Our office can provide additional referrals as needed.

At each appointment you will always be provided enough medication to get you to the next recommended appointment.

- Medication changes and refills are not typically provided between appointments.
- Please check with your pharmacy, particularly for any scripts on hold, prior to calling our office for a prescription refill.
